

Cuairteoirí chuig an scoil:

- Déantar cinnte go bhfuil grinnfhiosriúchán an Gharda Síochána deánta orthu roimhré.
- Fanann an Múinteoir leis an gcuairteoir i gcónaí, ní bhíonn said leo féin le páistí ag aon am.
- Maidir le cuairteoirí ón Roinn Sláinte, ón Roinn Oideachais agus Scileanna, ón nGarda Síochána agus ó NEPS, bíonn grinnfhiosriúchán an Gharda Síochána acu cheana agus sna cásanna seo ní gá don scoil é a dhéanamh orthu.
- Déantar sár-iarracht cuairteoirí le Gaeilge a fháil, agus cuirtear iachall orthu í a labhairt.
- Fáiltíonn an scoil roimh chabhair ó thuismitheoirí, ag cur eiteas na scoile ó thaobh na Gaeilge de san áireamh, agus an dualgas maidir le grinnfhiosriúchán an Gharda Síochána don ról.

Visitors to the school:

- *Any visitors to the school must have prior Garda vetting.*
- *The teacher remains with the visitor for the duration of their stay; he/she is never alone with children in school.*
- *Visitors from the HSE, The Department of Education and Skills, An Garda Síochána and Neps have Garda Vetting from their own organisations and in these cases the school is not required to vet them again.*
- *Every effort is made to find visitors with a fluency in Irish, and they are encouraged to use their Gaeilge while on school premises.*
- *The school welcomes help from parents, bearing in mind the school ethos in relation to Gaeilge, and the obligations in relation to Garda Vetting for the role.*
